

Dear Friend,

Rainbow of Hope is a community effort of local quilters, businesses and civic organizations coming together to honor individuals who have experienced a life limiting illness while supporting our local non-profit Hospice House.

What began in 2006 as a little idea born in a quilt shop as a way to “do something” using fabrics chosen because of the cancer awareness colors in them has grown into an annual event raising awareness of many life limiting illness while bringing honor and memory to those we love. With the support of Mountain View United Methodist Church, over a few short years Rainbow of Hope has brought a sense of healing into our community while raising money to support the individuals who receive care through Hospice.

Area businesses found a sense of connection with a particular project and endorsed a project with a higher level of support. We would like to continue this opportunity and hope that you would like to be a part of the fun as well. Donations of \$300 and up, receive the opportunity to have their name or business listed with the quilt of their choice while on display the month of October and listed in the keepsake program. Donations of \$750 and up will receive a logo wall hanging of their own to display. Donations of \$1500 and up will be responsible for ensuring projects will end up where they belong, home.

In 2012 we lost a valuable Rainbow Team member, Ricky Pritt. Every year, Ricky donated his time and talent in honor of his wife, Robin. The Ricky’s Road Home program is a way we would like to honor his efforts to send so many projects home over the years as our auctioneer. Each project that raises a total of \$1500 or more by the Monday before the auction will be sent home as requested by the quilt maker. The auction takes place each year the first Saturday in November.

Thank you for your consideration in being a part of the Rainbow of Hope project, there is no place like home.
